Summary Information

Repository	American Philosophical Society
Creator	Brown, David J.
Title	David J. Brown papers, 1860-1876
Date [inclusive]	1860-1876
Call number	Mss.B.B813
Extent	0.5 Linear feet 158 items
Extent	158 items.
Location	LH-MV-C-3; LH-SB-Black Case-26 (Maps, OS)
Language	English
Container	1
Abstract	<p>This collection centers on Brown's geological investigations in various areas of Scotland and England concerning fossils, geological formations, deposits, etc. His activity in the Edinburgh Geological Society is documented in the letters and in newspaper clippings. Several of the letters contain diagrams, also geological maps (manuscript and printed) of Edinburgh and its environs, drawn by Charles Lapworth.</p>

Background note

Geologist David J. Brown played an active role in the Edinburgh Geological Society. He read many papers before the society and acted as conductor on their expeditions.
